### The Shack Taster Menu

To celebrate our 30th Birthday, this year we're launching our brand new Shack Taster Menu.

If you chose to take the ride, you'll be treated to an **18 course** extravaganza, celebrating everything the very special relationship between the Oyster Shack and the big blue sea has to offer.

## THE SHACK TASTER MENU - £59 PER PERSON

An 18 Course tasting menu exploring both the classic and modern cuisines that makes up the Shack as we know and love it today.

Come on a journey with us through the Shack's history and learn a little more than you might have expected about tonight's dinner

It is an important part of our ethos. We will only serve sustainably caught seafood and support local fishery causes such as the Lobster Hatchery and Fisherman's Mission.

### Take Away

A selection of home smoked fish, oysters, lobster, crab & other Shack favourites are ready for you to take home. Ask a member of staff for the Take Away menu

### Dog Menu

After a long run on the beach, why not let our furry friends enjoy something delicious. Ask a member of staff for the menu. Dogs must be kept on the lead & on the floor.
